## Weekly City Manager Newsletter

September 10, 2010

### **STATE PRIMARY ELECTION DAY INFORMATION**

Tuesday, September 14, 2010 is New Hampshire's State Primary Election Day.

**New polling hours** within the City will go into effect on September 14th. Polling locations within the City will open at 7:00 AM and close at 7:00 PM on Election Day. These new hours will make it much easier for residents to vote early in the morning at their own polling locations within the City; therefore, Early Morning Voting will no longer be held.

**Polling locations** are assigned to residents based on where they reside. Residents who are unsure where their polling location is may access a street listing at [www.concordnh.gov/elections](http://www.concordnh.gov/elections) or contact the City Clerk's Office at 225-8500.

**Residents may register to vote** on Election Day at their polling locations. Those registering to vote should bring a photo ID as proof of identity/domicile. If the photo ID does not show current residence, those registering to vote should bring along confirmation of their address in the form of a utility bill, bank statement, etc.

**Absentee ballots** are available at the City Clerk's Office for those registered voters who are unable to get to the polls on Election Day.

### **CIP # 85 - LOUDON ROAD WATER MAIN REPLACEMENT**

The contractor, F. L. Merrill Construction, Inc. is scheduled to start work on this project on Monday, September 20th. Construction will occur between the hours of 7:00 PM and 7:00 AM. The following week, work will occur Sunday through Thursday and will continue with that schedule for the duration of the project. Construction will start at Hazen Drive and proceed east to Burns Avenue. Traffic will be restricted to one lane in each direction during the work hours. Motorists should expect delays and seek alternate routes if possible.

### **CIP # 35 - NORTH STATE STREET CORRIDOR**

Work resumed Tuesday, September 7th. The contractor has begun the replacement of an existing stone box culvert in Clarke Street with a new 30-inch reinforced concrete pipe to act as the new storm sewer trunk line serving the North State and Lake Street area. The construction will continue into North State Street next week, with a full road crossing scheduled at the aforementioned intersection. Due to the nature of this work, traffic will be restricted to one lane during hours of operation; typically 7:00 AM to 6:00 PM. Delays are to be expected and the public is encouraged to seek alternate routes if possible. We thank motorists for their patience as we pursue these much needed improvements.

### **ADULT EXERCISE AND HEALTH CLASSES**

The Recreation Department is offering the following upcoming classes and programs:

**Early Morning Boot Camp:** Held Mondays and Wednesdays at 6:00 AM, beginning on September 13th.

**Zumba Classes:** Held Saturdays at 7:00 AM, beginning on September 11th.

**Tai Chi:** Held Mondays from 12:30 - 1:00 PM, beginning on September 13th.

**Archery:** Held Friday nights or Saturday afternoons, beginning on September 10th (adult & youth classes).

Pre-registration is required. For more information, visit [www.concordnh.gov/recreation](http://www.concordnh.gov/recreation) or call 225-8690.
